United Express Flights from Scottsbluff to Denver Launch Jan. 30

Scottsbluff, Nebraska Jan. 25, 2018 – SkyWest Airlines is pleased to launch new daily United Express jet service between Western Nebraska Regional Airport (BFF) and Denver International Airport beginning Jan. 30, 2018. Tickets are available for purchase today at www.united.com.

The inaugural flight will depart Scottsbluff on Tuesday, Jan. 30 at 4:05 p.m. Media is invited to join city, airport and SkyWest officials for refreshments and a live radio remote with KNEB to welcome the first flight and celebrate the first departure from 2 p.m. to 4 p.m. MT.

“We’re excited to offer new United Express service between Scottsbluff and Denver,” said Greg Atkin, SkyWest Airlines managing director – Market Development. “Travelers taking advantage of the new service will enjoy a quiet, comfortable flight aboard the CRJ200, and new connections through United’s unmatched global network.”

The twice-weekday United Express jet service between Scottsbluff and Denver connects passengers to United’s hub in Denver, where travelers can access over 370 daily departures to destinations around the world. Scottsbluff customers who fly United may also accrue MileagePlus Miles as members of United’s MileagePlus loyalty program. The daily United Express flight is ideally scheduled for both business and leisure travelers, providing well-timed connection opportunities in Denver.

SkyWest will operate the route utilizing the 50-passenger Bombardier-manufactured Canadair Regional Jet, CRJ200. SkyWest Airlines is a top CRJ200 operator and has been named the manufacturer’s most reliable operator in North America five times.

Tickets are available for purchase now at www.united.com or by calling United reservations at 800.864.8331. The lowest fares can always be found on www.united.com
