## **Volunteer Committee Named for 2002 City of St. George and SkyWest Airlines Indy Race**

### **For Immediate Release**

St. George, UTAH, February 5, 2002 – SkyWest Airlines' Director of Aircraft Spares & Support, Todd Wilkinson, has been named chairman of the 2002 City of St. George and SkyWest Airlines Indy Race. Scheduled for March 9 at Dixie State College, the Indy Race will bring together teams from throughout North and South America. Using miniature Indy-style cars, participants will drive on a twisting course through Dixie State's Campus to raise funds for the United Way - Dixie.

Volunteers on the 2002 City of St. George and SkyWest Airlines Indy Race Planning Committee will organize all aspects of the race to benefit the United Way - Dixie. The race is expected to draw thousands of spectators in addition to the many local corporations, businesses and civic groups competing. Those interested in entering or making contributions to the race should contact Todd Wilkinson at (435) 634 – 3640.

The United Way - Dixie helps hundreds of people every day by funding non-profit, tax-exempt charitable organizations. It is one of 1900 such community-based organizations in the United States. The United Way - Dixie solicits local funding from employee donations, matching corporate contributions and events such as the Indy Race.

SkyWest Airlines is the nations largest independently operated regional airline and is based in St. George, Utah. For more information on SkyWest visit [www.skywest.com](http://www.skywest.com).
