## Delta Connection Announces Increased Service between Salt Lake City and Sun Valley

### FOR IMMEDIATE RELEASE

**St. George, UT, February 2, 2005** – SkyWest Airlines (Nasdaq: SKYW) is pleased to announce plans to offer significantly enhanced service between Salt Lake City and Sun Valley. The increase comes as part of the airline’s plan to increase frequency between Salt Lake City and seven communities in the Western United States.

During the current winter ski season, SkyWest is providing eight daily Salt Lake City roundtrips. For the month of March, service will increase to include a ninth daily roundtrip for the peak winter travel period. When service traditionally drops to seven daily off-season roundtrips from April through early June, SkyWest will instead offer eight daily roundtrips in the market.
