FOR IMMEDIATE RELEASE

St. George, UT, June 1, 2005 – SkyWest Airlines (NASDAQ: SKYW) is pleased to announce an enhanced schedule with two additional United Express daily round trips between Denver, Colorado and Great Falls, Montana.

To commemorate this new service, representatives from SkyWest Airlines will be visiting the Great Falls International Airport to celebrate the inaugural flight on June 2, 2005. The Great Falls Chamber of Commerce will host a ribbon cutting ceremony at 2:00 p.m., and members of the community are invited to visit the airport and celebrate this new service.

SkyWest Airlines has been serving Great Falls since December of 2003, and the SkyWest employees at the Great Falls International Airport have nearly 40 years of combined customer service experience.

The new service, effective May 4, is as follows:
