## **SkyWest Airlines and Mokulele Announce Pilot Pathway Program**

### **Mokulele pilots have direct access to SkyWest's Pilot Pathway Program**

**SAINT GEORGE, UTAH, March 29, 2018** – SkyWest Airlines, a subsidiary of SkyWest, Inc. (NASDAQ: SKYW) is pleased to announce a new agreement with Mokulele Airlines, where current pilots can gain a direct pathway to SkyWest Airlines. Together, SkyWest and Mokulele are providing a pathway for more pilots to take control of their aviation careers. As part of this agreement, Mokulele pilots will enjoy all the benefits of SkyWest's Pilot Pathway Program, including mentorships, access to company facilities, training and more.

"We're pleased to partner with Mokulele to provide a solid pathway for Mokulele pilots to advance their careers, said Tracy Gallo, SkyWest Vice President of Flight Operations. "SkyWest pilots are the best in the industry, and are more sought after by every major carrier than those at any other regional airline. This partnership allows Mokulele pilots to enjoy the benefits of SkyWest training, mentorships and more as they work to lift their career to new heights."

"This new partnership provides Mokulele pilots access to the best regional airline in the industry," said Ron Hansen, Mokulele CEO. "We're excited to join with SkyWest to provide this exceptional career opportunity for our pilots."

Some additional benefits of joining the SkyWest Airlines Pilot Pathway Program include enhanced seniority, guaranteed final interview and access to pilot mentors. The SkyWest Pilot Pathway Program prepares a clear path for pilots to launch their SkyWest career, where they enjoy an unmatched culture of professionalism, teamwork and success.
